

WHITEFIELDS GOLF CLUB – HEAD GREENKEEPER VACANCY

Set in the heart of the Warwickshire countryside, Whitefields Golf Course, Driving Range and Club in partnership with Draycote Hotel was opened in 1992 and has hosted many championships over the years. It is a great all-weather course, and its fantastic drainage makes it capable of withstanding the elements without having to close.

We are now seeking an experienced **Head Greenkeeper** who is passionate about their work. The successful candidate will be responsible for general management and maintenance of the golf course, driving range, practice facility and other outdoor areas. This role requires effective leadership skills, good knowledge of turf management and the ability to successfully manage a team of greenkeepers and demonstrate exemplary leadership and commitment.

The ideal candidate will be enthusiastic and driven to produce quality surfaces all year round with an up-to-date knowledge of modern greenkeeping techniques.

Benefits: Competitive salary, free golf membership, staff discount, and 28 days paid holiday training & development, free staff meals, NEST Pension

Salary: Negotiable – Not less than **£36,000.00**

Key Responsibilities:

- Lead and manage the maintenance of our stunning golf course and outdoor areas
- Lead and engage the greenkeeping staff to ensure a high level of work performance
- To ensure full compliance with all Health & Safety legislation and statutory compliance
- To communicate effectively with the Director of Golf, staff and senior management
- To continually be aware of developments and improvements in golf course management and maintenance
- An outstanding level of commitment to Whitefields Golf Club and to its members

Experience & Qualifications:

- Experience in golf course management, turf knowledge, and relevant qualifications and certifications are essential.
- Previous golf course management or advanced deputy role experience required
- Maintain a fleet of machinery – Mechanical knowledge would be useful
- Have a good understanding of current health and safety in the workplace
